

# EKONOMI HIJAU

GREEN ECONOMIC GROWTH PROGRAMME FOR PAPUA PROVINCES

## Our Principles of Green Economy

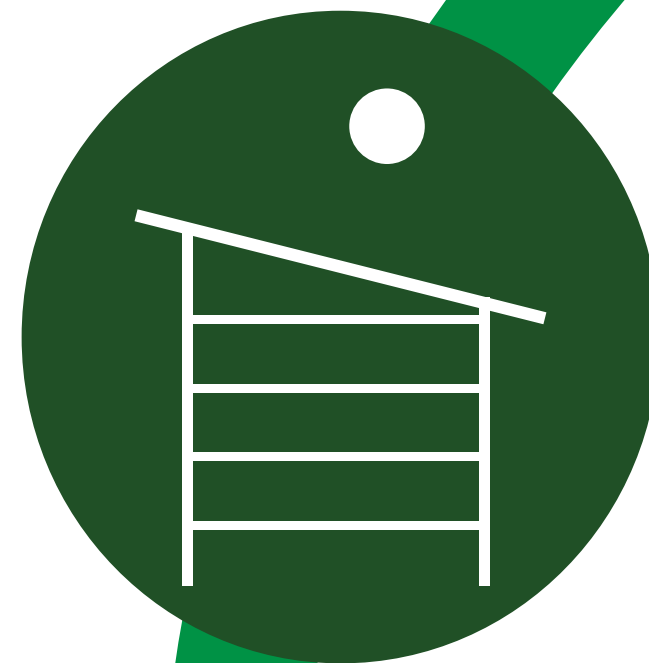

Based on smallholders and local producers

Integrating thriving local Papuan businesses and service providers into value chains

Demonstrating effective appropriate technology

Creating new jobs and opportunities for youth

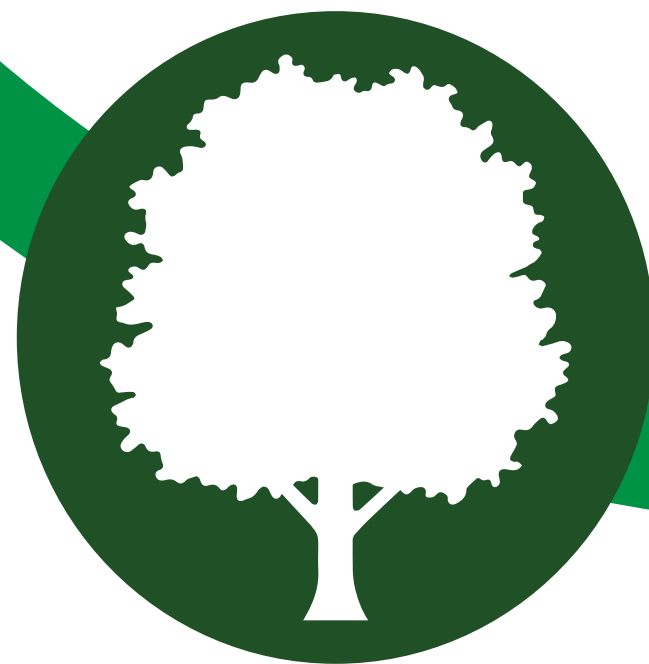

Promoting climate smart agricultural practices and environmentally friendly

Providing support and opportunities to women

Seeking to maintain Papua's intact high conservation value forest and biodiversity

Attracting sustainable Private and public sector Investment
